Light Pole Systems Award Winning Product: Anchor Bolt Adaptor Selected for the 2017 IES Progress Report.

Light Pole Systems' Anchor Bolt Adaptor was awarded the honor of being included in the 2017 IES Progress Report.

The Illuminating Engineering Society Progress Committee is mandated to, "Keep in touch with the developments in the art and science of lighting throughout the world, and prepare a yearly review of achievements..."

The innovative problem solving design of Light Pole Systems' Anchor Bolt Adaptor lead the IES Progress Committee to include the product in the 2017 Progress Report. The report will be featured in the November edition of IES' LD+A Magazine.
